Service Technician/Installer – Bright Energy (BE) and Consolidated Gas (CG)

Bright Energy (natural gas service provider)/Consolidated Gas (propane service provider) is seeking a Service Technician/Installer who will be responsible for installation, maintenance, operation, removal, rearrangement, and inspection of propane tanks and/or natural gas line facilities. The employee is under the general supervision of the Crew Supervisor, and/or the Vice President/General Manager of BE/CG.

Applicants must have a high school diploma or equivalent and have a good working knowledge of propane and gas standards as well as familiarity with the market area. Must possess a valid State of Ohio Class B CDL with HAZMAT and tanker endorsement. Must have good communication skills. Closely related job experience and specialized training may substitute for part of the knowledge requirements. Work experience in the propane and/or natural gas industry is desired.

Please submit resume with cover letter including salary requirements via email to ateeter@conelec.com or via fax to 419-949-2952 on or before December 4th.
