P. O. Box 190  
8500 East Michigan Avenue  
Parma, Michigan 49269  
(517) 531-8210  
Fax (517) 531-3911

JANX services include: gamma and x-ray radiographic inspection; wet, dry and fluorescent magnetic particle inspection; dye penetrant inspection; double joint rack and internal crawler x-ray inspection; ultrasonic straight beam technology; shear wave ultrasonic flaw detection; hardness testing; portable stress relieving of weldments; welder qualification and certification; plastic fusion testing; plastic fusion qualification; auto degauss (demagnetization); destructive testing of welder coupons; certified welding inspectors; positive material identification; ground penetrating radar for rebar location; pipeline and plant integrity services; automatic corrosion scanning; visual inspection; project inspectors (chief, civil, structural, welding, electrical, etc.); Level III NDT auditors; NDT training and certification; CWI training; Level III NDT services; and film duplication.

***JONES DAY***

***Paul T. Ruxin***

901 Lakeside Avenue  
Cleveland, Ohio 44114  
(216) 586-3939

Legal representation before regulatory agencies and courts and legal counseling with respect to public utility and energy laws and business.

***JPL MANUFACTURING COMPANY, INC.***

**Joseph P. Lofink**  
P.O. Box 979  
Newark, Ohio 43058  
(740) 763-2001  
Fax (740) 763-2020

Gas measurement and pressure control specialists providing meter and regulating station design and fabrication.

***KERR ENGINEERED SALES COMPANY***

**A. J. Kerr, Jr. David Kerr**  
5940 Baum Square  
Pittsburgh, Pennsylvania 15206  
(800) 245-3198 (outside Pennsylvania)  
(412) 362-6553  
Fax (412) 362-6556

BRUEST Sales – catalytic heaters; Becker Precision Equipment, Inc. – ball valve regulators and pilots; Peerless Mfg. Company – separators, scrubbers, odorizers, pulsation dampeners; T. D. Williamson, Inc. – pigs, tapping machines, SHORTSTOPP and STOPPLE plugging equipment, bushings, insulators, casing seals;; POLYSCANN ultrasonic inspecting equipment for butt fusion plastics; TDW Services – hot tapping and line plugging services; TDW pipeline surveys, KALIPER and FLAWSONIC pipeline internal wall surveys.

***KNOX ENERGY INC.***

**Mark Jordan**  
P. O. Box 705  
New Albany, Ohio 43054  
(740) 927-6731  
Fax (740) 964-1742

Knox is primarily an oil and gas producer. We own and operate over 300 wells in Ohio. We also have a division that provides oilfield and geological services. Additionally, Knox markets its own gas and gas from other producers to industrial users, primarily in Ohio.

***KRAVITCH MACHINE COMPANY***

**Nick Kravitch**  
4148 State Route 151  
Aliquippa, Pennsylvania 15001  
(800) 437-5801  
Fax (724) 378-6355

Distribution tools including but not limited to augers, fishtail bars, curb keys, drive bars, probe bars, gate keys, inspector picks, cleanout tools, squeeze-off units, lite fittings, drip pumps, the K-12000 sealant gun as well as repair of grease guns, squeeze-off units, thor machines, etc.

***KUHLMAN INSTRUMENT COMPANY INC.***

**Mark Lacy**  
54 East Summit Street  
Norwalk, Ohio 44857  
(419) 668-9533  
Fax (419) 668-2179

Kuhlman Instrument Company manufactures an instrument which measures Pressure in a Scale (0-16" water) and (160 lbs. PSI) and as the fluid drops in the instrument tube, a leak is apparent; an electronic leak detector measuring PSI and leak detecting; a spud adapter and hand pump, items used with our equipment to leak detect.

***L. J. STEIN&COMPANY, INC.***

***David Stein***

71 East Fairmount Avenue  
Lakewood, New York 14750  
(716) 763-7100  
Fax (716) 763-7200

L. J. Stein&Company is a commercial property and casualty insurance agency. While we are best known for our work with the domestic onshore oil&gas exploration, production and transmission industry, we have the breadth of expertise to service most commercial risks.

***L. W. SURVEY ENGINEERING&DESIGN***

***Lesley W. Welch Richard Grogan***

1 East First Street  
Duluth, Minnesota 55802  
(218) 722-8211  
Fax (218) 722-8207

L. W. Survey Engineering&Design Company offers a full line of services for the utility industry including engineering piping&design; drafting&design GIIS; flow simulation studies; GPS; land survey; operations mapping; right-of-way acquisition; construction inspection; materials specification and procurement; document and permit procurement; operator qualification training; National Fuel Gas Code training; and plastic fusion training.

***MAJAAC, INC. dba BRUST PIPELINE CONSTRUCTION***

***Scott Arnold***

820 East Edgerton Street  
P. O. Box 624  
Bryan, Ohio 43506  
(419) 636-5678  
Fax (419) 636-3639

Majaac, Inc. dba Brust Pipeline is a gas distribution contractor specializing in fabrication and installation of stations and any gas distribution installation including renewal and directional boring.

***MASTER CONTROLS, INC.***

***James Masterson***

P. O. Box 217  
Granville, OH 43023  
800/521-5738 or 740/587-2529  
Fax 740/587-2531

Sales representative for Mooney Controls – pilot operated gas regulators, pounds to pounds service or pounds to ounces service, and NJEX International Odorant Injection System.

***McELROY MANUFACTURING, INC.***

***Steve McCowan***

P. O. Box 580550  
Tulsa, OK 74158-0550  
918/836-8611  
Fax 918/836-3273

Equipment for butt fusion and socket fusion of polyolefin pipe, ultrasonic inspection equipment, training and maintenance seminars.

***McJUNKIN RED MAN CORPORATION***

7275 Edington Drive  
Cincinnati, Ohio 45249  
(513) 489-9900  
www.mcjunkin.com

National distributor of gas distribution, gas transmission and industrial pipe, valves and fittings.

***MERCURY INSTRUMENTS, INC.***
