OHIO GAS ASSOCIATION

Accident & Prevention Committee Responsibilities

- **To discuss, study, review and make recommendations on all matters pertaining to the prevention of accidents in the gas industry**

- **To respond to legislation changes or requirements which have the potential to affect the economic viability of member companies**

OHIO GAS ASSOCIATION

Accident & Prevention Committee Duties

- **Assist member companies in the formation of safety policies, procedures and practices within their companies**
- **Review and provide assistance to member companies in the development of safety and training programs to assure the minimization of accidents and hazards among member companies**
- **Assist member companies to assure compliance with regulations as required by state and federal agencies**

OHIO GAS ASSOCIATION

Accident & Prevention Committee Duties

continued

- **Monitor activities of outside agencies and organizations to keep abreast of safety requirements of state and federal laws, codes and techniques, and keep member companies informed of changes**
- **Recognize member companies employees who actively demonstrate a commitment to safety by recommending them to receive the Award of Merit for Safety**
- **Execute other assignments and conduct special studies as requested by the Trustees**
- **Periodically review and update the responsibilities and duties of this committee**

OHIO GAS ASSOCIATION

OHIO GAS ASSOCIATION

Corrosion Committee Responsibilities

- **To keep appraised of governmental rules and regulations and accepted practices within the natural gas industry pertaining to the prevention and control of corrosion**

- **To keep member companies informed on corrosion issues**

OHIO GAS ASSOCIATION

Corrosion Committee Duties

- **Assist member companies to develop plans and programs for application of corrosion control and prevention techniques**
- **Participate in the development of educational programs for the purpose of training operating personnel of member companies concerning corrosion control**
- **Keep abreast of new developments in the field of corrosion control and inform member companies**

OHIO GAS ASSOCIATION

Corrosion Committee Duties

continued

- **Inform member companies of new requirements by government pertaining to corrosion mitigation**

- **Execute other assignments and conduct special studies as requested by the Trustees. Periodically review and update the responsibilities and duties of this committee**

OHIO GAS ASSOCIATION

Corrosion Committee
2012 Review

- **Meet quarterly in conjunction with Ohio Corrosion Committee in Bellville, Ohio**
  - **Spring Meeting, Bellville with OCC**
  - **Summer Meeting, Joint w/ O&M at OGA office**
  - **Fall Meeting, Bellville with OCC**
  - **Meet quarterly in conjunction with Ohio Corrosion Committee in Bellville, Ohio**
- **Keep each other up to date or help with answering corrosion questions or procedures**

OHIO GAS ASSOCIATION

Corrosion Committee
2012 Review

- **Goals Established**
  - **Greater participation & more topics**
  - **Support each other**
  - **Possible one-day corrosion seminar for OGA**

- **Accomplishments**
  - **Addressed concerns with DIMP**

- **Recommendations**
  - **GREATER ATTENDANCE**
  - **More topics for agenda**

OHIO GAS ASSOCIATION

Forecasting & Planning Committee Responsibilities

- **To keep appraised of state and federal rules and regulations as they pertain to the Long Term Forecast and Planning procedure; and keep member companies informed**

OHIO GAS ASSOCIATION

Forecasting & Planning Committee Duties

- **To keep apprised of the Long Term Forecast and Planning rules and regulations and keep member companies informed**
- **To exchange technical information regarding the forecasting and planning of gas requirements, curtailment policies, peak day design criteria and supply risk analysis**
- **To exchange information on the techniques and methodologies used for strategic and operational forecasting and planning**

OHIO GAS ASSOCIATION

Forecasting & Planning Committee Duties

continued

- **Assist member companies when requested to assure compliance with regulations**
- **Execute other assignments and conduct special studies as requested by the Trustees**
- **Periodically review and update the responsibilities and duties of this committee**

OHIO GAS ASSOCIATION

Forecasting & Planning

April 12, 2012 Meeting

Topic 1: Special Topic – DSM Programs on Design Day Demand

- Number of programs
- Percent of customers taking advantage of the service
- Years of History
- Means of obtaining information
- Level of information (monthly/Daily)
- Can effect be measured?
- Can effect be forecasted?

Topic 2: Degree Days

- Reporting of Degree Days (external and internal)
- Balance Point Temperatures
- Basis of "Normal"
- How Winter 2011/12 (Nov-Mar) ranks on a Degree Day basis

Topic 3: Annual Peak Day Forecast Process

- Looking for a volunteer that would share their process to forecast Design Day
- Years of historical data used in your process
- Uses of your Design Day Forecast
- Recent economic effect on heating season and peak day
- UPC trend over the past 10 years
- Do you set statistical criteria for acceptability?

Topic 4: Growth

- How many years do you forecast?
- Level of forecast (total system/market segment)
- Basis for forecast

OHIO GAS ASSOCIATION

Gas Supply & Control Committee Responsibilities

- **Keep apprised of developments which affect the gas supply availability and reliability throughout the state and exchange ideas with respect to gas control center methods, technology and practices; and to keep member companies informed**

OHIO GAS ASSOCIATION

Gas Supply & Control Committee Duties

- **Keep abreast of developments that may affect the gas supply availability in the state, and inform member companies**
- **Provide a forum for exchange of ideas and work practices with respect to gas control centers and gas supply practices among member companies**
- **Establish and maintain a communications network of gas control centers throughout the state**

OHIO GAS ASSOCIATION

Gas Supply & Control Committee Duties

- **Keep abreast of new trends and technologies in the industry which may contribute to helping gas control centers operate more effectively and share that information**
- **Keep abreast of, discuss, and exchange ideas on proposed interstate pipeline operating practices which may affect the ability to receive gas into statewide distribution systems**
- **Execute other duties and assignments as requested by the Trustees**
- **Periodically review and update the responsibilities and duties of this committee**

OHIO GAS ASSOCIATION

Gas Supply & Control
2011 Fall Meeting

- **The fall meeting was hosted by Columbia Gas of Ohio and Kentucky in Columbus, Ohio September 29, 2011. We met jointly with the Kentucky Gas Association Gas Supply & Control Committee. Mike Hoffer chaired.**

Topics Covered

- **Operational update: Each member provided operational updates including control room consolidation, control room relocation, SCADA upgrades, Integrity Management work, and pipeline & station replacements. No supply issues were reported and storage plans on schedule.**
- **OGA update: New Director, Jimmy Stewart.**
- **Control Room Management: All companies reported significant effort on CRM plans and procedures. Dominion expects to be the first to be audited in Ohio. Delta expects to be first in Kentucky.**
- **2011/2012 Winter Preparedness: Each member discussed outlook for the upcoming winter, weather predictions, planning activities and operational preparedness.**

OHIO GAS ASSOCIATION

Gas Supply & Control
2012 Spring Meeting

- The spring meeting was hosted by Duke Energy Ohio and Kentucky in Cincinnati, Ohio May 15, 2012. We met jointly with the Kentucky Gas Association Gas Supply & Control Committee. Mark Satkamp (KGA) chaired.

Topics Covered

- Post Winter Review: Each member provided operational updates. The warm winter weather created a lot of issues getting gas out of storage.
- Control Room Management: Update from AGA, PUCO audit experiences, new hires to meet demands.
- Training Presentation: Skip Hall presented Colombia's CRM training program.
- General Discussions: Alarm management, fatigue management, SCADA, security, point to point verification, and remote control/automatic shut off valves.
- Gas Control Tour: Tour of the new Duke Energy Gas Control Center.

OHIO GAS ASSOCIATION

Gas Supply & Control
2012 Fall Meeting

- **The fall meeting will be hosted by NiSource Gas Transmission & Storage in Roanoke, WV September 25, 20121. We will meet jointly with the Mid-Atlantic Contingency Planning Group and the KGA Gas Supply & Control Committee. MACPG will chair the meeting.**

Topics to be covered

- **Operational Discussion**
- **Changes within Your Company**
  - **New SCADA or Upgrades**
  - **Changes in Office Designs/Locations**
  - **Personnel Changes/Company News**
- **Control Room Management**
  - **Audit Experiences**
  - **Point to Point Verification**
  - **Display Management**
  - **Workload Management**
  - **Alarm Management**
- **OGA and KGA committees break out session**

OHIO GAS ASSOCIATION

Legislative Affairs Committee Responsibilities

- **Under the direction of the Board of Trustees, this committee is responsible for the affairs of the Association involving various state legislative bodies**

OHIO GAS ASSOCIATION

Legislative Affairs Committee Duties

- **Maintain contact with various state legislative bodies to keep informed of actions that might affect member companies of the Association. Assemble and disseminate data of interest to member companies**

- **Study proposed legislation to determine possible effect on member companies. After consultation with member companies and approval of the Board of Trustees, confer with state legislators to emphasize weaknesses of certain bills that affect members**

OHIO GAS ASSOCIATION

Legislative Affairs Committee Duties

continued

- **Develop and stimulate a political awareness among member companies to keep them informed of legislative activities that could have a direct effect on member companies**

- **Develop and maintain effective communication with appropriate Association personnel to coordinate efforts dealing with legislative matters that affect Association members**

OHIO GAS ASSOCIATION

Marketers/Associate Member

Sponsor: Doug Austin, Interstate Gas Supply
Chairman: OPEN

Members:

ProLiance Energy

Barry Ferguson
Delta Energy LLC

Exelon Energy Company

OHIO GAS ASSOCIATION

Marketers/Associate Member Committee Responsibilities

- **This committee is responsible for keeping current with LDC and regulatory activity relating to customer choice of gas suppliers throughout the state; determining in which phases of the activity the committee can best be involved and helpful; and working with OGA member companies, regulatory agencies, and others to assist in customer choice progress.**

OHIO GAS ASSOCIATION

Marketers/Associate Member Committee Duties

continued

- **Keep abreast of the progress of Customer Choice throughout the state and monitor issues where the input of an Association of marketers may be helpful**
- **Assist Ohio LDC's where appropriate in dealing with issues relating to gas supply such as reliability, obligation to deliver, OFO issues, and others; primarily through coordinating efforts with the OGA Gas Supply and Control Committee**
- **Promote a channel of communications between the OGA member companies, regulatory agencies, and the marketers' community regarding appropriate customer choice issues**
- **Provide written and/or verbal input to OGA member companies and regulatory agencies, where appropriate, expressing the opinions and concerns of the marketers' community**

OHIO GAS ASSOCIATION

Marketers/Associate Member Committee Duties

- **Assist OGA member companies and regulatory agencies, where appropriate, in carrying out pilot programs related to customer choice and evaluating those pilots for further development**
- **Communicate with other organizations and associations as it pertains to customer choice issues and the relationship of LDC's, regulatory agencies and the marketers' community**
- **Execute other assignments and conduct special studies as requested by the Trustees**
- **Periodically review and update the responsibilities and duties of this committee**

OHIO GAS ASSOCIATION

Marketing Committee Responsibilities

- **Develop and implement programs to promote the public image for members of the Association in the state. Keep apprised of ideas and information regarding marketing, energy conservation, sales and service to residential, commercial and industrial customers; and to keep member companies informed**

OHIO GAS ASSOCIATION

Marketing Committee Duties

- Plan for, prepare, and distribute publications throughout the state to promote the public image of the Association, the gas industry, and member companies as approved by the Trustees
- To share and discuss marketing procedures, programs and problems with member companies
- Maintain contacts with outside agencies and organizations to keep abreast of new product developments in the areas of equipment utilizing natural gas and energy conservation
- Inform trade associations through publications or seminars of research and development of new and improved applications for the use of natural gas

OHIO GAS ASSOCIATION

Marketing Committee Duties

continued

- **Sponsor statewide training seminars for marketing representatives of member companies.**
- **Monitor governmental rules and regulations within the gas industry pertaining to the marketing of natural gas.**
- **Execute other assignments and conduct special studies as requested by the Trustees.**
- **Periodically review and update the responsibilities and duties of this committee.**

OHIO GAS ASSOCIATION

Market Conditions Conference

- 112 attendees
- 2 OGA staff members (Jimmy Stewart & Kristen Bussell)
- 9 speakers
- 62 different companies
- 36% of attendees completed surveys
- Surveys overall very positive
- Speaker performance based on surveys (overall category):
  - Scott Rotruck: 5.0/5
  - Katie Jolly: 4.9/5
  - Jim Crews: 4.8/5
  - Tom Stewart/Phil Bennett: 4.7/5
  - Jim Mehring: 4.6/5
  - Graham Bailey/Sherrie Merrow: 4.4/5
  - Mike Perry: 4.4/5
- Overall evaluation:
  - Facilities: 4.4/5
  - Technical equipment: 4.3/5

OHIO GAS ASSOCIATION

Operating & Maintenance Committee 2012 Review

- Meet quarterly (3-4 times a year)
  - Fall Meeting
  - Spring Meeting- before technical seminar
  - Summer Meeting- joint w/ Corrosion Committee

- Keep each other up to date or help answer questions or procedures

OHIO GAS ASSOCIATION

Operating & Maintenance Committee 2012 Review

- Goals Established
  - Greater participation and more topics
  - Support for each other

- Accomplishments
  - Addressed concerns with DIMP
  - DIMP will drive your budget
  - Discussed measuring torque on boltless couplings
  - Shared results of PUCO audits
  - Discussed using voltage pins to check grounding of CSST

OHIO GAS ASSOCIATION

Operating & Maintenance Committee 2012 Review

- Recommendations
  - GREATER ATTENDANCE
  - More suggestions for topics on agenda
