

## **Madeline Vecellio Corb**

Madeline Vecellio Corb is a Technical Service Manager at Dresser Inc., GE Energy, Houston, TX. She received her Bachelor of Science at the University of Pittsburgh in 1979 and her MBA from the University of Houston in 1989. She has worked for Dresser (now part of GE Energy) in both the Bradford, PA and Houston, TX locations for 35 years, in various capacities – starting out in Industrial Engineering and then making the transition into Marketing. During her tenure in Houston, she has held various positions – all in the Marketing arena – including Market and Business Development, Market Management and, most recently, Manager of Technical Services.
