

Dennis Westenberg
Duke Energy
Manager of Compliance and Technical Training

Dennis began his career with The Cincinnati Gas & Electric Company in 1979 as a laborer in Construction & Maintenance and was promoted through the union ranks to crew leader. In 1985 he was promoted to field supervisor and has supervised both contractor and union employees for 27 years. In 2001, Dennis managed the Accelerated Main Replacement Program for Cinergy until 2007. He was Manager of Gas Operations Support in the Construction and Maintenance Department until 2011 and then was moved to his current position of Manager of Compliance and Technical Training.

Dennis is a member of the Ohio Gas Association's Construction and Maintenance Committee. Dennis attended Northern Kentucky University and the University of Cincinnati. He resides in Lawrenceburg, Indiana.
