

September 18th & 19th

Clean Fuels Ohio

Join Clean Fuels Ohio at the 2013 Ohio Green Fleets Awards to celebrate schools, businesses, and public fleets that have improved environmental performance and fuel efficiency.

Highlights will include:

- ▶ Ohio Green Fleets Awards Luncheon
- ▶ Eight Educational Breakout Sessions:
 - ▶ Advanced Fuels & Technologies 101
 - ▶ Implementing Natural Gas in Your Fleet
 - ▶ Advanced Vehicle Ride & Drive
 - ▶ Various alternative fuel vehicles to be featured on West Mall Drive

Clean Fuels Ohio has partnered with the Great Lakes Truck Expo to present a unique two-day experience. Come learn about new alternative fuel and efficiency technologies, network with industry professionals and fleet experts, participate in an on-going alternative fuel vehicle Ride & Drive, and gain important information and expertise through the many educational breakout sessions.

Natural Gas — The Fuel of the Future

Exhibit Space is still available, but going fast! See Below.
