

SAVE THE DATE - NOVEMBER 6, 2013

Ohio Utica Midstream Development Forum: Pipelines and Processing

*Featuring Special Guest
Congressman Bill Johnson*

Wednesday, November 6th

8:30 AM - 12:00 PM

(Doors Open and Continental Breakfast at 7:45 AM)

Pritchard Laughlin Civic Center

7033 Glenn Highway

Cambridge, OH 43725

Pipeline and processing facility construction is spurring the demand for steel, skilled laborers and scores of support industry specialists. Large and small businesses across Ohio are already taking advantage of enormous economic opportunities presented by shale energy development.

Come learn what to expect as midstream construction and shale drilling moves forward, and about the opportunities and challenges these developments present for your region. This forum will give an update on current Ohio pipeline and other midstream projects; address job and economic opportunities; and explain the safety regulations that protect our communities.

Panel topics will include *Update on Ohio Pipeline and Midstream Projects, Pipeline and Midstream Jobs and Economic Opportunities, and Pipeline Safety and Regulation.* Confirmed speakers as follows:

Congressman Bill Johnson

Peter Lidiak, Pipeline Director, American Petroleum Institute

John Williams, Director, Service Monitoring and Enforcement Department, Public Utilities Commission of Ohio

Chris Zeigler, Executive Director, Ohio Petroleum Council

Rhonda Reda, Executive Director, Ohio Oil and Gas Energy Education Program

Linda Woggon, Ohio Chamber of Commerce and Ohio Shale Coalition

Shawn Bennett, Energy In Depth, the Ohio Project

Jo Sexton, Cambridge Area Chamber of Commerce

Norm Blanchard, Cambridge-Guernsey County Community Improvement Corporation

To RSVP, go to the [Events and Programs](http://www.cambridgeohiochamber.com) page at <http://www.cambridgeohiochamber.com>

For questions or additional information, please call Alexis Malure, (862) 686-0780

This event is by invitation only.

The Ohio Shale Development: Economic Impact & Opportunities Forum is co-sponsored by the Cambridge Area Chamber of Commerce, Cambridge-Guernsey County Community Improvement Corporation, Eastern Ohio Development Alliance, Ohio Mid East Governments Association, the Ohio Chamber of Commerce, the Ohio Gas Association, the Ohio Energy Resource Alliance, and the Ohio Shale Coalition.
